03/21/06

Our next club meeting will be held on Monday, April 10th at 7:00 p.m. in the Science Room at the Andover Elementary/Middle School.

Election of Officers

April brings our Annual Election of Officers. We currently have the following positions open for next year. They are Trail Master and Club Secretary. If you are interested in running for any one of these positions, please contact Susan Nelson at (603) 934-9972 to get your name on the ballot.

Trail Work

As I passed over the railbed in Danbury on my way home this evening, I noticed that the gates had been closed. We can say goodbye to another season. This was definitely one for the record books for lack of snow. We can only hope to receive a better serving of snow next winter. There will be projects in the works for this summer and fall. With additional bridge and culvert work required on the railbed and Kearsarge Mt. Trails. We will keep you posted.

Club Fundraiser

The club will have the opportunity to provide food at Freedom Cycle's Open House on April 8th and 9th. It was agreed at our last club meeting to accept the invitation to setup a food booth at their Open House Event. This could turn out to be another way to raise funds for our club. Come on out and support this event, hot food and cold drinks will be available for purchase and you can check out the their inventory of motorcycles and snowmobiles. They are located at 105 Manchester St. in Concord, N.H.

In closing for another season, we would like to say THANK YOU to all that have supported our fundraiser events, helped with trail work and allowed us the opportunity to travel across their land. Until next year, may you have a wonderful Summer and we will see you again in the Fall.
