Webmaster Stephen Burdick aboard a new Phazer in Washington State

11/28/06

December's meeting will be held on Monday the 11th at 7:00 p.m. in the Science room at the Andover Elementary/Middle School.

Trail work was another busy topic at last month's meeting. George Burdick and Greg Miller updated club members with the many projects that have been underway this fall. The Groomers have been moved and will be receiving the pre-season maintenance. Brush cutting is still underway on the railbed along with some repairs to bridge decks and railings. Trail signs are going up and soon we will be ready for the gates to open. Thanks to everyone that played a part in getting the trails ready for this season. Your help is appreciated!!!!!!!!!!!!

Take a look at the above picture. Club member and webmaster Stephen Burdick is enjoying a Thanksgiving Day ride in Washington State. We can only hope to be doing the same soon. Steve, I am envious. Thanks for sharing the photo.

At last month's meeting, Charlie Darling from the Andover Beacon and local channel 8 came by to help explain the "Welcome to Andover" project. An effort is underway to put together a DVD to inform people about local committees and organizations in the Andover area and our club has been invited to participate in this project. This is an ongoing project and I will keep you informed of its progress.

There are only two months left for the raffle ticket sales. Let's make this a successful fundraiser, for tickets you can contact Lance Demers at (603)735-4418. Remember, this will be raffled off Next Month at our Annual Italian Buffet.

There are still some Club Calendars available for purchase. If interested, you can contact Sue Nelson at (603)934-9972.

Until next month, HAPPY HOLIDAYS everyone!
