This could be the Mt Kearsarge Trail if we just had snow.

February's meeting will be held on Monday the 12<sup>th</sup> at 7:00 p.m. in the Science room at the Andover Elementary/Middle School.

Snowmobiling is one of those sports that relies heavily on the weather to be able to enjoy it. With record low snow amounts for the month of January, we can only hope that the month of February is a good one.

We would like to thank everyone that helped out with our Annual Italian Buffet. The work begins on Friday evening with a majority of the cooking taking place at Proctor Academy and then moves to the Andover Elementary/Middle School kitchen for the preparation of the garlic bread, salads and the final preparation of all the main dishes. Beverages are made and the dessert table gets set-up. There is also a lot of preparation getting the tables and chairs in order. The Easter Seals Raffle table then begins to take shape and all the items are in place. The Raffle Sled is located in the entry of the gymnasium and before we know it the hungry patrons are waiting to purchase tickets and enjoy the festivities. As you can see this takes quite a bit of effort and would not be possible without the many hours donated by club members and friends. THANK YOU ALL!!!! Your help is appreciated. We will post more information regarding the lucky winner of the sled and some of the dollar amounts for our Easter Seals donation. We would also like to thank the Andover Elementary/Middle School, Proctor Academy and Pizza Chef for their valued support.

We are also planning on hosting our 5<sup>th</sup> Annual Highland Lake SnoFest Antique and Vintage Snowmobile Show. This event takes place on Saturday, Feb. 17<sup>th</sup> at the Andover Fish and Game Club House at 9:00 a.m. with trophies awarded around 2:00 p.m. There will be hot food and beverages available. All trophies are people's choice, so come on out, see where the sport started and cast a vote for your favorite sled. If you have any questions about this event, you can call me at (603)768-3951 or by email at ([Allan\\_Houle@msn.com](mailto:Allan_Houle@msn.com).) This show has grown over the past years and we appreciate your support.

Also if you enjoy Antique and Vintage Sleds, don't miss the New Hampshire Snowmobile Museum Show on Sunday, February 18<sup>th</sup> at Bear Brook State Part. This event is held at the Museum and brings out a substantial crowd every year. Well worth seeing!
