Steve and Tricia Rosen's 1924 Model T Snowmobile
People's Choice winner for Best Antique SnoFest 2006

2/29/06

Our next club meeting will be held on Monday, March 13th at 7:00 p.m. in the Science Room at the Andover Elementary/Middle School.

Trail Work

There is not much to report on at this time. With a winter that has seen very little snow. We can only take a look at what needs to be done for next year and hope that March is a snowy month. At our last meeting club members Greg Miller and Steve Burdick were presented with Groomer Certificates from NHSA for successfully completing the Groomer Safety Training. Congratulations!!

Easter Seals Raffle

This years Easter Seals Raffle was a great success. With well over \$2,000 going to this cause. The Andover Snowmobile Club placed 4th in Merrimack County and 9th overall in the State. This could not be done without a great deal of support from businesses and individual donations and the dedication of the Easter Seals Raffle Committee, which is lead by Susan Nelson. Thanks to everyone that supported this fundraiser for a very good cause. We look forward to another successful event next year.

4th Annual Highland Lake SnoFest

The Andover Snowmobile Club held its 4th Annual Highland Lake SnoFest on Saturday, February 18th with 21 sleds in attendance. The New Hampshire Snowmobile Museum Radar Run was cancelled due to weather conditions. When the track crew began looking at the conditions on Friday, there was 2 to 3 inches of water on top of the ice, with no snow available it was decided that the conditions would not be safe enough to hold the event. The show brought participants from Massachusetts, Vermont and New Hampshire. Club member Steve Rosen brought a beautifully restored 1924 Model T Snowmobile and won the People's Choice Award for Best Antique. Ed Vigneault from Windsor Vt. took home the People's Choice Award for Best Race Sled with his 1970 Arctic Cat Puma Mod. and Tom White from Merrimac Massachusetts took home the People's Choice Award for the Best Trail Sled with his 1976 Mercury Trail Twister. There was a nice display of sleds and despite the cold weather and high winds everyone managed to enjoy the day. We would like to thank everyone that helped with this event and all those that participated by bringing their sleds by for everyone to see.
