Greg Miller – *Trail Master*
George Burdick – *Director*
Stephen Burdick – *Director*
Allan Houle – *Director*
Stephen Roz – *Director*

Soon they will open

10/27/06

November's meeting will be held on Monday the 13th at 7:00 p.m. in the Science room at the Andover Elementary/Middle School.

Trail work has progressed very quickly with the completion of decking on the railbed bridge at Covered Bridge Road in Andover. The trail to Kearsarge Mt. has been cleared, brushed and smoothed out with an excavator. This trail has been completely overhauled and will be a pleasure to ride on this season. There has been a lot of brush cutting on the south end of the railbed. There are also plans to do some more bridge repairs and brush cutting on the north end of the railbed. The trail to Tucker Mt will also be undergoing some additional work this Fall.

Trail Master Greg Miller is very appreciative of the turnout at all of the work parties. Thanks Everyone!!! As we know, Trail Work is a Continuous Project.

At our last meeting we discussed having a Club Member Holiday Gathering. If you are interested, please contact Lisa Meier at (603)735-5275, you can leave a message. Please respond to Lisa by November 20th.

Raffle tickets sales are moving along and we have a ways to go before they are awarded. Let's make this a successful fundraiser, for tickets you can contact Lance Demers at (603)735-4418

There are still some Club Calendars available for purchase. If interested, you can contact Sue Nelson at (603)934-9972.

The club application has been printed on the reverse side of this months newsletter and will also be available on the ASC website at www.andoversnowmobileclub.com, be sure to check out the website for up to date information. Don't forget to provide your email address, so that we can send your newsletter via email. This will save on the cost of mailing and reduce the work that it takes to mail them out.

Until next month, Happy Thanksgiving everyone. Winter will be here soon!
