October's monthly meeting will be held on Monday, October 16TH due to the Columbus Day Observance. We will meet in the Science Room of the Andover Elementary/Middle School at 7:00 p.m.

There was much talk regarding trail work at last month's meeting. Trail Administrator Leon Nelson has been busy with the Grant in Aide funding for this season and Trail Master Greg Miller has put together a very aggressive schedule for this pre-season with new decking on the rail bed bridge at Covered Bridge Road. This was targeted to be completed on the weekend of Sept. 23rd and 24th in order to have it available for the Friends of The Northern Rails Trail's "Fun Day" opener on Oct. 1st. There was also work scheduled the last week of Sept. to get an excavator up on the Mt. Kearsarge Trail in order to do repairs on storm damage from last Fall and this past Spring. There will be additional bridge work and brush cutting required on our trail system to get it into shape for this season
