4th of July Cook-Out: photo by Sue Nelson

The next club meeting will be held at 7:00 p.m. on Monday September 12th in the Science Room at the Andover Elementary/Middle School to start off the 2005/2006 season..

CLUB CALENDAR:

If you have a photo that you would like to have considered for this year's club calendar, please bring it to the September meeting. We will pick one for the calendar. Also, please note that the club calendar forms need to be turned in to Sue Nelson by Sept. 15th. These calendars are great for remembering upcoming birthdays, anniversaries and club event dates, and it is a great fundraiser for the club. So get yours while they are available. For further information you can contact Sue Nelson at (603)934-9972.

MEMBERSHIP FORM:

Also you should find your club membership form enclosed with this newsletter. In order to receive the NHSA Sno Traveler you must be a member no later than October 25th. The NHSA does a great job with this publication and it is free with your club membership.

RAFFLE SLED

This year's raffle sled is a 2006 Arctic Cat Z570LX with electric start and reverse and with the new hot factory orange color scheme. Tickets are available from club members, local businesses or by contacting Lance Demers at (603)735-6496 or Craig Mayo at (603)934-3327.

ELECTION OF OFFICERS

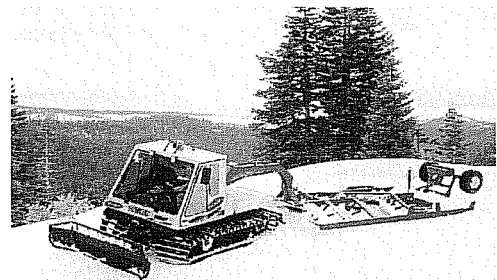

The club held its annual election of officers at our last club meeting in April. This year's officers are: President - Craig Mayo, Vice President - Lance Demers, Secretary - Lisa Donnelly, Treasurer - Tricia Rosen, Trail Master - Mike Donnelly, Trail Administrator - Tim Frost, and Directors - George Burdick, Greg Miller, Steve Rosen and Allan Houle.

4th OF JULY BARBECUE

This year's event was another success. We would like to thank Leon, Sue, Danny and Stephanie Nelson, George Burdick, Lisa Donnelly, Craig & Dawn Mayo, Lance Demers, Norman Lemay, Bruce, Roberta, Kris & Kevin Tibbetts, and Steve and Tricia Rosen for all of their hard work.

NEW GROOMER

There was a unanimous vote at our last meeting to purchase a NEW Bombardier / Camoplast BR180 Groomer. This will be replacing our older Tucker Sno-Cat. This is a big purchase for the club and we look forward to its arrival. Thanks to everyone for their support with this new purchase. We will keep you posted on our progress.

TRAIL WORK

Trail work will also be starting in Oct. and Nov. on Sundays. We have one bridge project that has to be done in one weekend for safety reasons and we will need all the help we can get. You can contact Trail Master Mike Donnelly at (603)735-4258 for further information.
