Pat Frost – *Director*

George Burdick and Adam Houle after receiving their NHTSA Awards - Congratulations

07/27/07

Our first club meeting of the 2007/2008 season will be held on Monday, September 10th at 7:00 p.m. in the Science Room at the Andover Elementary/Middle School. Hope to see you there.

The summer has not been without activity. The Club held a food booth at the Andover 4th of July Celebrations. Under the leadership of Leon Nelson and the support of his crew, they were able to serve up many burgers, sausage grinders and beverages during the day. It was a hot day and the food went quickly. We would like to thank everyone that participated in the event and supported the food booth.

At our last meeting in April we voted for club officers. This year's elected club officers are: President: Craig Mayo, Vice President: Lance Demers, Secretary: Lisa Meier, Treasurer: Tricia Rosen, Trail Master: Greg Miller, Trail Administrator: Leon Nelson, and Director: Pat Frost.

Members of the Andover Snowmobile Club attended the NHTSA 38th Annual Meeting at the Fireside Inn in West Lebanon, and had a great time. While enjoying a great meal and partaking in the many discussions and elections, we were also pleased to accept NHTSA Awards for the following: George Burdick was awarded a Lifetime Achievement Award and Groomer of the Year. George is very dedicated to the sport of snowmobiling and dedicates many hours of service maintaining and grooming our many miles of trails. Adam Houle accepted the Jr. Snowmobiler of the Year. Adam has spent many hours helping with trails, participating in swap meets and show events and riding whenever he can. Lance Demers accepted the Club Activities award for the many activities that we sponsor, and Allan Houle accepted the Sno-Traveler award for submitting club activity articles to the Sno-Traveler publication. We would like to thank the NHTSA for recognizing these achievements and congratulations to all.

The Andover Snowmobile Club is getting busy with trail maintenance with multiple bridge projects going on. There will also be some major brushing done on the Railbed, Corridor 2 Trail.

We look forward to the NHTSA Grass Drag Event this month and hope to see our many friends there. Stop by the NHTSA Antique/Vintage tent and see some of the best Antique and Vintage snowmobiles in the Northeast. Until next issue, enjoy!
